NUMBER 40.

CALL FOR AFFIDAVITS.

Democrats Have Decided to Take No Chances.

WANT TO SEE KURTZ'S HAND

Say the Time Has at Last Arrived For a Showdown.

ASSERTIONS NOT SUFFICIENT.

Hanna Men Declare the Required Affidavits Can Not Be Furnished and That the Bitter Contest Is Practically Ended in Their Favor.

Columbus, O., Jan. 10.—The senatorial situation has not changed. The conferences continue day and night, and the doubtful members are given no rest. But no such flops were announced Sunday as those of the previous two days in favor of Mr. Hanna.

The workers for the senator say they now have enough. The Kurtz workers say they can spare another vote or two and still defeat Hanna, and they insist that they have lost all of their doubtful men and will stand to the last with at least eight Republicans and the 65 Democratic members against Hanna.

They even say that they expect to get Manuel of Montgomery and Griffith of Union back on their side again before Tuesday. It is also claimed by the opposition that while Senator Hanna's forces have been charging on their lines they have been successfully attacking his lines, and have promises from members on whom the senator has been depending.

The Hanna men claim two more accessions, but they will not give any names, as they did that of Representative Manuel Friday night and of Representative Griffith Saturday night.

The opposition to Hanna has no betting yet in its favor. The bets, ranging from \$500 to \$5,000 for even money on Hanna's election, have remained posted at the Neil House for two days without takers, and there are other bets offered, among them being one of \$500 by General Grosveor on Hanna's election. None of the bets are on the result of the first or any other ballot, but all are offered on the final result.

General Public Agitated.
While the workers on both sides were chasing doubtful members and holding secret conferences Sunday, the general public was agitated over the result of the inauguration at noon and the Hanna massmeeting in the afternoon. Both sides arranged to avoid street collisions or any kind of trouble.

The massmeeting was not called to order by Chairman George K. Nash of the state Republican committee till 3 p. m., and those in charge of the inauguration of Governor Bushnell arranged to have the inaugural exercises over before the clubs began to march to the Auditorium for the massmeeting.

The railroads arranged to run the excursion trains for those attending the inauguration early in the morning and for those coming to the massmeeting later in the day. The Hanna men sought to have as many here as possible in the afternoon, and the opposition was equally energetic in rallying all they could in the different counties for the morning demonstration.

The militia and other organizations began arriving Sunday night to take part in the inauguration. In the morning parade there was a marked absence of Republican clubs. All the police of the city and many detectives were on hand for both occasions. There was in addition to the regular authorities over 100 sergeants-at-arms appointed for the mass convention, with ex-Chief of Police Alexis Keeler as chief sergeant-at-arms.

Chairman Nash stated that the mass convention was called on the request of county Republican committees, and then he introduced as chairman of the mass convention Congressman Walter Weaver of Springfield, who was spokesman last week of the Republican delegation that came from Bushnell's home to call on the governor and protest against the course of his excellency in this senatorial contest.

Defeated Candidates Conspicuous.
A. C. Caine and John R. Molloy, the Republican caucus candidates, respectively, for clerks of the senate and the house, were the secretaries of the mass convention. All the other Republican caucus nominees who were defeated were included in the list of sergeants-at-arms.

While the resolutions did not differ materially from those heretofore adopted in the counties, there was one appealing to Senator Foraker to declare

himself. Another demands the resignation of Charles L. Kurtz as the Ohio member of the Republican national committee.

Since the epidemic of local indignation meetings and the crusade for a general gathering here, some of the managers of the opposition say two mistakes have been made on their side. The first alleged mistake was in exposing their strength in organizing the legislature, and the second in allowing it to adjourn from Wednesday to Monday, so that such members as Mammel of Montgomery and Griffith of Union could go home and meet their constituents.

It was thought that the organization of the legislature would settle things, but it is cited that since Mason has been made speaker he is calling on Senator Hanna, and since Griffith has been sworn in as speaker pro tem. he has come out publicly for Hanna.

Representative Joyce of Guernsey, who voted with the combine on organization, has announced positively that he will support Hanna. His opposition was solely against Boxwell for speaker. Meantime Jones of Stark, Redkey of Highland, Rutan of Carroll and other Republicans who voted with the Democrats last Monday have since undergone such fire from their constituents that they are expected to square themselves by voting for Hanna.

Where the Work Was Done.
While there were 10 dissenting Republican members last week, the Hanna men say there will be only two or three this week. And the changes are attributed more to the work that has been done in the counties than here.

The Democratic steering committee reported to Mr. Kurtz that they must have assurances from him that the dissenting Republicans will hold out before they can give him a guarantee of the solid Democratic vote of 65.

It is said that the Democratic steering committee finally gave Mr. Kurtz till midnight to produce affidavits from at least eight Republican members that they would vote against Senator Hanna. The Hanna managers claim that Mr. Kurtz can not secure the requisite number of affidavits, and that the contest is over.

Ex-Governor Charles Foster, who was secretary of the treasury under Harrison, arrived in the city Sunday night. He has been considered as a compromise candidate for senator, and by some considered unfriendly to Mr. Hanna, but he soon declared himself for the senator under the existing circumstances, and was in conference with the senator soon after his arrival.

Indians Are Defiant.
Muskegon, I. T., Jan. 10.—The Cregg council, in spite of the message of Secretary Bliss through Indian Agent Wisdom warning them not to do so, has passed an act appropriating \$20,000 to be used in employing attorneys to fight the constitutionality of the act of congress giving the United States courts full jurisdiction after Jan. 1.

FOR A SECOND TERM

Has Governor Bushnell Been Inducted Into Office.

PARADE A MONSTER AFFAIR.

Alleged Fears That Indignities Might Be Heaped Upon the Governor Prove Not to Have Been Well Founded.

Columbus, O., Jan. 10.—Despite the fact that there was a disposition in certain quarters to ignore the inauguration of Governor Bushnell, and that the weather was not as propitious as could be desired, the affair was a success beyond the most sanguine expectations. It could hardly have been a greater success even had not the late unpleasantness arisen.

In point of numbers it is doubtful whether it was not larger because of the senatorial muddle, many people having taken advantage of the cheap railroad rates to come here to see how matters were progressing, and of course they could not very well resist the temptation to witness the inauguration.

Columbus people wanted a crowd, and they got it. Local pride and business interests prompted them. They left no stone unturned to fully gratify their desires, and the events of the day proved that they did not labor in vain.

There is no doubt that some people who would have attended the inauguration under ordinary circumstances remained away because they were not pleased with Governor Bushnell's attitude in the senatorial fight, but their places were more than filled by those who came because the senatorial fight exists.

So that, after all, Columbus has lost nothing. She has really gained by the factional fight which has sprung up in the Republican party. However, the fight is not pointed to with pride by the Columbus citizens. But they find consolation in the fact that they are not responsible for it.

The formal and legal ceremony whereby Governor Bushnell was inducted into office as chief executive of the state of Ohio for a second term took place at the capitol a few minutes after 12 o'clock (noon). This was all that is required by law, but custom has established the attendant exercises.

The visiting militia were served with dinner in the Auditorium at 10:30 a. m., so that they would be ready to join in the parade at 1:30 p. m. Promptly at the appointed time the procession moved from Goodale park south on High street to Broad, east on Broad street past the reviewing stand to Third street, south on Third street to Mound, west on Mound to High, north on High to Broad, where the parade disbanded.

Spectacular Part of It.
Colonel George D. Freeman was chief marshal, with E. G. Bailey chief of staff and Frank Reed assistant adjutant general. The parade lined up as follows:

First division—Patrol wagons, platoon of Police, Chief Marshal George D. Freeman and staff, Stamina club, Cincinnati; Lincoln club, Toledo; Garfield club, Dayton; Bushnell club, Springfield; Clark county delegation; Gibson club, Columbus.

Second division—Colonel John A. Poland, United States army, marshal, and staff; Seventeenth infantry, United States army; Fourteenth regiment, Ohio National Guard; Seventeenth regiment, Ohio National Guard; Third regiment, Ohio National Guard; Ninth Battalion, companies D and G of the Eighth regiment, and company H of the Second regiment, Ohio National Guard; Ohio University Cadets; First regiment, light infantry, Ohio National Guard.

On the reviewing stand with Governor Bushnell were the members of the general assembly and many other prominent persons. As the parade passed the stand the cheers for the governor were loud and long.

It was feared that some indignities might be heaped upon the governor, some even affecting to fear that he might be assassinated, but he it said to the credit of the citizens of the Buckeye state that no such incident worthy of note occurred.

In the evening from 7:30 to 8 o'clock a reception in the rotunda of the capitol will be tendered by Governor and Mrs. Bushnell to the supreme court, members of the legislature, state officers, United States and other military officers. From 8 to 10 a public reception will be given.

Conductor Law and Flagman Pope were seriously injured, and 18 passengers received bruises or other injuries, none of which are serious.

Repudiates the Boy's Paternity.

London, Jan. 10.—A scandal is agitating the Roman aristocracy. The celebrated ducal house of Litta-Visconti-Erez has renounced its Italian nationality. The duke married Countess Rosa Tarsis, a noted beauty, by whom he had two daughters, and some time afterward a baby. The duke repudiates the boy's paternity and accuses a very high person. He has established the fact in the courts that the child is not his, but as divorce does not exist in Italy the duke has become a French citizen and instituted proceedings.

Dr Barrow Satisfied.

New York, Jan. 10.—The pulpit supply committee of the Broadway tabernacle some time ago secured a promise from the Rev. Dr. J. H. Barrows of Chicago that he would favorably consider a call to the tabernacle pulpit. The Kenwood Presbyterian church, Chicago, hearing that the Rev. Dr. Barrows would receive this call to New York, has offered to build for him a new church, to cost not less than \$200,000. It is said that the inducement has proved sufficient to keep Dr. Barrows in Chicago.

Confesses to Murder.

Selma, Ala., Jan. 10.—Rice Banks, a negro, confesses to having been a party to the murder of Lon Wilson, a wealthy country merchant near Akron, in Hale county, two years ago. He says that Wilson's three nephews are equally guilty with him. One of them suicided in Meridian, Miss., several months ago, and left the statement that his life had been so full of dark deeds that he could find no rest this side of the grave.

Will Testify Against Ratcliffe.

London, Jan. 10.—Mr. Ravenhill, the father of Actor E. J. Ratcliffe's alleged English wife, said: "My daughter and I have not the slightest doubt that the Ratcliffe convicted of wife beating in New York is my daughter's husband. She will sail for New York by the St. Louis to give evidence against Ratcliffe in order to secure her own freedom and that of the young lady duped by him in New York."

Lost Steamer Identified.

Marseilles, Jan. 10.—The steamer reported to have foundered with all hands on Thursday last off Bauduck, about 25 miles west of this city, turns out to be the French steamer Louis, from Cardiff for Marseilles, with coal. She was wrecked on Jan. 1 and her crew, consisting of 15 men, were all lost. Four bodies have already been recovered.

Jollified Before Beginning Work.

Alexandria, Ind., Jan. 10.—The windlass factories, employing 1,200 men, commenced work. A big jollification was held and the men danced until time to go to work. A scarcity of houses is keeping the families of a number of the men away, and if 250 houses were erected at once they would all be occupied.

Committed Suicide.

Chicago, Jan. 10.—Carroll Hanks, 41, a former resident of Hudson, N. Y., who at one time is said to have been quite wealthy, committed suicide by taking poison. Lately he has been trying to make a livelihood by soliciting for an insurance company, and his ill success made him despondent.

To Measure Distance.

Dubuque, Ia., Jan. 10.—Dr. Nicholas Bray has invented a range finder for ascertaining distances at sea or land, but intended especially to guide gunners in naval combat. The instrument will measure any distance up to 19,000 yards. The army and navy have ordered samples.

A Flying Squadron.

London, Jan. 10.—A rumor is in circulation, emanating from the dockyards at Portsmouth, that a flying squadron of British ships will be formed for service in Chinese waters.

ST. JACKSON BANQUET

Greatest Event of the Kind Ever Held in Columbus.

SUCCESS IN OTHER CITIES.

In Cleveland Congressman John J. Lentz Was the Chief Speaker, While in Chicago Hon. W. J. Bryan Was the Honored Guest.

Columbus, O., Jan. 10.—The Jackson day banquet here was a magnificently gorgeous affair. The attendance was fully up to expectations, as was also the menu, and the toasts are said to have been the most popular ever selected for a similar occasion in this city.

The program as previously published was carried out almost to the letter, except that Hon. Allen O. Myers acted as toastmaster instead of ex-Mayor Karb, who was too ill to attend.

Letters of regret were read from ex-Senator Calvin S. Brice and Mr. John R. McLean; also a letter of greeting from the Democratic state central committee of California.

It is claimed this was the most successful Jackson day banquet ever given in this city.

At St. Louis.

St. Louis, Jan. 10.—The Tennessee society of St. Louis held a banquet at the St. Nicholas hotel in commemoration of Jackson day. There was in attendance a brilliant gathering of nearly 100 ladies and gentlemen. Governor Robert L. Taylor of Tennessee was the guest of the occasion and delivered an address.

At Toledo.

Toledo, Jan. 10.—Jackson day was celebrated here for the first time and was a grand success. Many prominent persons were present.

Both Feet Amputated.

Skaguay, Alaska, Jan. 10.—William Byrne of Chicago lies in a cabin on the Lewes river with both feet amputated. Byrne and his uncle, James E. McGuire, also of Chicago, were making their way up the river from Dawson and Dec. 6 Byrne, who is only 18 years of age, had both feet frozen. The men continued their journey for five days. The boy suffered horribly and the flesh began to drop from the frozen limbs. Still they forged ahead until Lewes river was reached, and the boy placed in a cabin where he could receive some care. It was found necessary to amputate both feet near the knee.

A Prima Facie Rascal.

St. Paul, Jan. 10.—Moritz Heilm, a prominent member of the local bar, appeared before the St. Paul charter commission with a draft upon public franchises in which he advocates that all franchises heretofore granted by the city for an indefinite term should expire in December, 1898, and prohibiting the granting of public franchises for a longer term than 25 years and only for a pecuniary consideration, and in a communication he quoted the eminent municipal reformer, Mr. Albert Shaw, that any public official voting for a 50-year franchise is a prima facie rascal.

Run By a Dead Engineer.

Wilmington, Del., Jan. 10.—Cold in death, his hand clutching the throttle, Engineer Jeremiah O'Brien was taken off the engine which pulled the Chesapeake and Ohio express into this city. He was stricken with apoplexy about 50 miles below this city. The train was running at the rate of 40 miles an hour. Fireman William Brady discovered he was dead when the train reached Newark, 13 miles below here. O'Brien had run the train 37 miles while dead. The two most critical times in a woman's life are the times which make the girl a woman, and the woman a mother. At these times, Dr. Pierce's Favorite Prescription is of incalculable value. It strengthens and invigorates the organs distinctly feminine, promotes regularity of the functions, allays irritation and inflammation, checks unnatural, exhausting drains, and puts the whole delicate organism into perfect condition. Almost all the ills of womanhood are traceable to some form of what is known as "female complaints." There are not three cases in a hundred of woman's peculiar disease that Dr. Pierce's Favorite Prescription will not cure.

Tobacco Insurance.—J. C. Everett,

MR. JAMES N. KEHOE.

A Mason County Favorite Prominently Mentioned For the Congressional Race.
Other Aspirants.

[Cincinnati Enquirer.]

FRANKFORT, Ky., January 7.—The statement recently sent out from Washington that the Republican National Committee would make a special effort to elect Congressman next year in the Third, Eighth and Ninth Kentucky Districts has put the Democrats in those districts on guard, and they are united in a determination to nominate for their candidates men who can win.

The Ninth District presents a more puzzling situation than any of the three districts named. Pugh, the Republican incumbent, is serving his second term, and won each time by a scratch, once against Rolla Hart, and the last time against LaRue Thomas. Heretofore there has been considerable bitter feeling engendered in the races for the Democratic nomination in that district, but this time, judging from the expressions of the politicians here from that section, the best of feeling prevails between all the probable candidates.

Fleming County may present James Allen, who was a candidate in 1896, when Thomas was nominated, and Rolla Hart, of the same county, who made such a brilliant race in 1894, is also a probable entry. Edger Hager, the eloquent young attorney from Boyd County, will likely be a candidate, and Nicholas County may present that clean, talented and well-equipped lawyer, Hanson Kennedy, and he would certainly make a strong race.

Hon. Frank Powers, of Carter County, who was defeated by the gifted Wade-worth (Rep.), of Maysville, several years ago, would like to have a chance to redeem himself, but is opposed to a scramble for the nomination.

A number of the best politicians in that district think that if Mason County would present James N. Kehoe as her candi-

date, and he should be nominated, he would win against Pugh. Kehoe is admirably equipped for the position and for making a strong race. He has always gone to the front in every fight his party has made in that district, and his ability as an organizer is unquestioned. He has never asked for office himself, and has not been entangled in any of the factional fights of the district in former years. He is not a candidate, but if his friends can induce him to run it is believed he could unite the Democracy and bring about a victory. This situation in that district is gathered from the legislators and Democratic leaders from the Ninth, who are now in Frankfort.

Thousands of sufferers from lame back and weak kidneys rise up and call it blessed. It is the medicine for women. The Daily Gazette of Charleston, W. Va., in mentioning the wedding of Mr. Philip Heber Noyes, Jr., and Miss Anna B. Gentry, which occurred on the 5th inst., says: "The wedding cake was the work of Mrs. Booker Chilton, formerly Miss Minnie Noyes, and presented to the bride, and when cut at midnight the ring was secured by Miss Amy Summers, and the dancing needle by Miss Mary Noyes, of Maysville, Ky., who also caught the bridal bouquet."

MAYSVILLE'S LOSS.

Death of the Venerable Joseph Wallingford, the Retired Banker.

Passed Away Sunday at Noon—Brief Sketch of the Deceased—Funeral Arrangements.

Maysville is again called on to mourn the loss of one of her oldest and most highly esteemed citizens.

The venerable Joseph Wallingford, the retired banker, passed away Sunday at 12:30 o'clock at the family residence, 24 East Third street.

He was stricken down a week or so with a severe cold. Weakened by his advanced age, he succumbed to the attack at the hour named, peacefully breathing his last.

Deceased was born at Mt. Gilead April 30th, 1807, and was consequently in the ninety-first year of his age. His parents were John and Prudence Wallingford, the family being one of the old and influential ones of this section.

Mr. Wallingford moved to Maysville in February, 1848, and was prominently identified with the city's commercial and financial interests for years. He was first engaged in the wholesale and retail dry-goods business on Front street, a few doors west of Market, as a member of the firm of Pearce & Wallingford. Later he embarked in the banking business, in which he was engaged for many years, as a member of the firm of Pearce, Wallingford & Co.

In 1882, he retired from active business pursuits, the rest of his days being spent at his pleasant home on East Third street.

His wife, who was Miss Amanda Morehead, a daughter of Rev. Joel Morehead, died January 22, 1893. Surviving are three children, Mr. Joel Wallingford, of Cincinnati, Mr. B. A. Wallingford and Mrs. Kate Wallingford, of this city. One son, John Ashby Wallingford, died some years ago.

The funeral will occur at 1 o'clock Tuesday afternoon at the residence, Rev. Dr. Molloy officiating. Friends of the family invited. Burial in the Maysville cemetery.

DIED NEAR FERN LEAF.

Mrs. Elizabeth McAtee Passed Away Early Sunday Morning—Funeral To-morrow.

Five children survive, Messrs Charles and Allie McAtee, of this county, Mrs. Ella Allen, late of Covington, Mrs. Mollie Gibbons, of Louisville, and Mrs. Carrie Pickett, of this county. Her husband, Benjamin McAtee, died years ago.

The funeral will occur Tuesday morning at 10:30 o'clock at the residence, Rev. W. W. Hall officiating. Friends of the family invited. Burial at Germantown.

The man's legs and feet found on the river shore below Aberdeen Friday were buried Saturday afternoon after being viewed by the Coroner. No papers or other articles were found by which to identify the unfortunate. His boots were preserved in the hope that they might lead to identification. They are made of coarse leather and are No. 8's. At this time it looks like the mystery surrounding the unfortunate's death will never be solved.

A Happy and Prosperous New Year

Is our wish for all. In connection with our greeting we also desire to thank our almost countless patrons for their continued favors.

In business transactions, more especially between buyer and seller, the advantages must be mutual, if not, the relations will soon be severed. It certainly is advantageous to us that you patronize us. It is not entirely egotism when we say it is also advantageous to YOU when you buy of us.

No Clothing and Shoe house in the country is so jealous of its reputation for handling good goods only as we are.

You have bought of us and sometimes of others. Ask yourself this question:

"With whose wares was I the best satisfied?"

Let your answer be an honest one.

We expected to invoice the past week, but the rush for our 25 per cent. cash reduction kept our entire force busy selling goods, hence it will fully be the 10th of January before they will be ready to take account of stock.

Until then, same terms will continue to rule. You will do well to take advantage of it. You will never again buy good Clothing or Shoes so cheap. Truly yours,

Hechinger & Co.
